Importance: High

Tadd,

Just to clarify, are you referring to KEA3160? If so, Armory already has access to the original emails and information (note that they are Armory's emails to customers). Also, please note that the person in KEA3160 specifically requested that their phone info be kept private (see KEA3159).

Relatedly, we have still not received a response to our July 20, 2022 letter (attached). In addition to the documents referenced in our letter (Exhibits 2 and 3), please advise why (1) Armory failed to disclose the emails in KEA003098-3160, and (2) whether there are additional emails like these pertaining to the CAV-15 that have been withheld by Armory.

Please provide your earliest availability to meet and confer regarding this evidence that has been withheld by Armory.
